OnCourse Direct

A COMPREHENSIVE
Learning Management System

An education platform **that delivers.**

Introducing OnCourse Direct, our hosted, Web-based learning management system that delivers a new dimension in e-learning efficiency and effectiveness in one convenient place.

Save time: Enjoy painless onboarding and built-in templates to notify your students of important assignments.

Get organized: At-a-glance portal empowers you and your learners to main control over learning responsibilities and allows administrators to instantly engage in all learning management activities.

Customize and report: Instantly sort and export student progress via high-level or specific sorting.

Support: Eliminate barriers to successful launches and program management with skilled technical assistance.

Custom Content Services

Allow your individualized brand to shine in your learning program, reinforcing your unique values and priorities.

Content creation
Unique courses are our specialty.

Content modification
Customize our existing courses to your needs.

Custom portal page
Build access to OnCourse Direct through a branded portal that can house relevant documents and policies.

Affiliate **Partnerships**

When you partner with OnCourse Learning Real Estate as an affiliate, we provide you with a unique course link for your organization's website. Students register through that link and you receive a percentage of every sale, regardless of what they purchase.

So many reasons to **love**

affiliate partnerships

- ✓ Increased revenue.
You receive a percentage of every sale.
- ✓ We handle student administration.
This includes reporting completions to the state, settling any state compliance and national regulatory matters, keeping student records on file and paying fees where applicable.
- ✓ You receive top-notch member support.
We pair each of our partners with a dedicated, knowledgeable account representative. Your questions and concerns will be answered by someone who knows your name and understands your business.
- ✓ Our banners, emails and flyers make marketing easy.
With a portal of premade templates, we can help you get the word out about your course offerings.
- ✓ Provide convenient, award-winning education.
Our self-paced online courses are available. Our unique mastery and fluency methodology sets students up for success.
- ✓ National footprint.
We have the most comprehensive national real estate, appraisal and home inspection footprint in online education.

The Affiliate Partner Process:

Step-by-Step

Discuss your business and goals with your account representative

Sign agreement

Your custom affiliate tracking links are **set up**

You receive access to our **marketing portal**

Student enrollments begin

Each month, you receive **commission payouts**

Your **account representative checks** in regularly

It's that easy!

Wholesale **Partnerships**

In a wholesale partnership, you become an approved real estate education provider in your state and offer our award-winning online courses branded with your company's name and logo.

So many reasons to **love**

wholesale partnerships

- ✔ Take control as the school of record. You'll leverage our high quality education with your own branded student experience.
- ✔ Increased revenue control. We provide fixed wholesale pricing to you and you set the retail price. You can bundle products or pass discounts on to students to drive enrollment and revenue.
- ✔ More control of your students. You'll manage administration of your own students, giving you greater control over the process and their experience with your school. Robust reporting will make it easy to report completions to your state and see course statistics at a glance.
- ✔ You receive top-notch member support. We pair each of our partners with a dedicated, knowledgeable account representative. Your questions and concerns will be answered by someone who knows your name and understands your business.
- ✔ Our banners, emails and flyers make marketing easy. With a portal of premade templates, we can help you get the word out about your course offerings.
- ✔ Provide convenient, award-winning education. Our self-paced online courses are available. Our unique mastery and fluency methodology sets students up for success.
- ✔ National footprint. We have the most comprehensive national real estate, appraisal and home inspection footprint in online education.

The Wholesale Partner Process:

Step-by-Step

Discuss your goals with your account representative

Sign agreement

Submit courses to regulator for approval

You receive **approval** to be an education provider

We set up your **custom-branded** course website

Enrollment begins

Receive monthly **payouts**

Your **account representative** checks in regularly

It's that easy!

PrepXL

The Gold Standard in Personalized Learning

Prep xL by OnCourse Learning is a sophisticated exam prep tool for anyone that is preparing to take their real estate license exam. It leverages personalized learning technology to tailor study materials to the individual's needs and create customized learning paths to provide the optimal study experience.

Prep xL features:

- Customized study plan including daily goals that adapts to learner's retention.
- Self-paced, comprehensive library of practice questions that allows the user to concentrate on specific topics based on their confidence and knowledge of the subject.
- Full-length, timed exams that simulate an actual testing environment.
- Real-time readiness data to track progress and identify strengths and weaknesses.

A partnership with OnCourse Learning Real Estate **empowers you** to offer your learners engaging real estate, appraisal and home inspection education.

Our Solutions:

Increase your revenue and profitability with an expanded education catalog

Provide a flexible learning management system for managing students and developing custom course content

Reflect any regulatory changes and ensure all state and national education requirements are met.

Enhance recruitment and retention of learners

Provide access to subject matter experts, compliance experts, and a team of customer and technical support professionals.
