

Training Packages for Banks

Organization-Wide Training, Made Simple

OnCourse Learning is your partner for regulatory compliance and professional development training with over 600 courses designed specifically for financial institutions.

However, we understand our clients have unique business requirements, so we created three flexible training packages to best meet the needs of your financial institution.

Packages Include:

Ascent:

Choose from over 600 courses within 34 series with this a la-carte option.

Expansion:

Broaden your training with nearly 250 courses in this package with the option to add additional series.

Breakthrough:

Train multiple departments with this premier package which includes nearly 500 courses to meet your business needs.
